

**How can we define the principles and best practices when it comes to making mindful choices in developing our identity in social media, so that rewarding connections are made?**

What do we need to do to take the risks that lead to the rewarding connections?

<b>level one: biographical sketch</b>	<b>level two: revealing what you have to offer to others</b>
<b>level three: asking for what you want</b>	<b>level four: the long-term patterns of behavior in your social media activities</b>

What else doesn't fit in these levels or other frameworks that we've used in this session?
